Agendas close at noon

If you would like to appear as a delegation, or have an item added to the agenda, please contact the Village office prior to noon on the following dates for the upcoming meetings:

Thursday, October 29, 2026

Thursday, November 12, 2026

ICBC & Motor Vehicles

The Village of Midway Office offers all of your ICBC Autoplan and Drivers Services needs.

Tree Recycling Facility

Will be open until it starts snowing.

Branches or bushes that have been pruned must have a diameter of 6" or less.

2026 Municipal Elections - The election for the office of Mayor and Council for Midway will be held October 17, 2026 from 8am to 8pm at the Village Council Chambers at 661 Eighth Ave. Registration will be completed at the time of voting. Remember to bring two pieces of ID. You must be a resident of Midway or own property in Midway to be eligible to vote.

This will be your last opportunity to vote in the Municipal Local Elections!

The inaugural meeting for new Council will be on Monday November 2, 2026.

Village of Midway website – The Village website has been having issues lately and was recently restored. If the issues resurface by Saturday (election day) we will be posting our results on our Facebook page until we can post on our website again. We apologize for the inconvenience.

Boundary Expo Recreation Centre – The most current version of the schedule is attached to this newsletter. Minor hockey games for the next bit (as much as space allowed) have been added. Game times are subject to change, we've requested a few of their games be shuffled a bit to fit our schedule and maximize our ability to offer public programs. Times will be updated when BMHA can confirm with their opponents.

West Boundary Community Forest - West Boundary Community Forest is now accepting applications for grant funding from eligible applicants. The grant intake period runs from October 16th - November 13th, at 4PM.

Please review eligibility criteria, and application requirements on their website prior to applying. Click the link for the ***current application form*** and instructions:

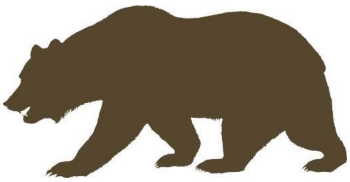
Be Bear Aware – We are still hearing reports of the Mama and two cubs around town. Please be cautious and aware when you are out walking in the Village, on the trails, or in your yard. To prevent bears from entering your property it is important to put garbage & green bins away nightly, cover compost piles, clean BBQs, and to remove fruit from and around all fruit trees.



Electric wheelchair and mobility scooters

Did you know?

Electric wheelchair and mobility scooter requirements

Electric wheelchair and mobility scooter must be all of the following:

- Designed and manufactured to transport people who have limited mobility because of a permanent or temporary disability that makes it impossible or difficult to walk
- Designed to be self-propelled or self-propelled with the capability to be propelled by human power
- Equipped with an electric motor that can propel the device no faster than 25 km/h on a clean, paved and level surface.

Electric wheelchair and mobility scooter rules

The following Operating Rules are according to BC Laws:

- Pedestrian Status: Operators must follow the same general rules and duties as pedestrians.
- Sidewalk Priority: Operators must ride on sidewalks and multi-use paths wherever available.
- Road Travel: If there is no sidewalk, the operator must travel on the far-left side of the road facing ongoing traffic, similar-to a pedestrian.
- Prohibited Areas: Operating these medical-assistive devices in dedicated bicycle-only lanes or regular active vehicle traffic lanes is restricted and prohibited.

Consideration for others

When you are using your electric wheelchair or mobility scooter on a public road, you must exercise due care and attention and have reasonable consideration for others using the road.
