Policy 120 – Boundary Expo Recreation Centre (BERC) Concession Rental

Preamble:

Because the arena concession rental brings in much needed revenue to help offset the Municipalities BERC operating expenditures, it is important that all BERC user groups support the concession operator.

Policy Breakdown:

This policy will cover the winter season only (Sept/Mar) and will effect all user groups except the RCMP Consultative Groups' Annual New Years Eve Family event.

Policy Goal:

Food in quantities (ie) Fund Raising, Special Events, etc., will not be brought in or consumed in the Boundary Expo Recreation Centre – special circumstances may arise where the operators of the concession may be unavailable or unable to provide the service required for an event. If such a situation does arise, the Recreation Director and Administrator have the authority to assist the user group to arrange alternatives.

Policy 120 – Approved by Resolution of Council on February 4, 2002.
