Village Council Members
Village of Midway
Midway, B.C.

Honorable Mayor and Council:

Last year, the Village Council approved a request by our school to provide the B.E.R.C. arena facility for the annual Commencement ceremony at no cost to the grads or the school. Given the constraints of public sector budgets we much appreciated your most generous consideration. Commencement is a highlight for the community each year and we have always had an incredible attendance at our ceremonies.

On behalf of BCSS and the graduating classes here, I am writing to ask if Council would again consider cost free usage of the arena on a yearly basis for Commencement. Our ceremony would be static on the **second Saturday of June** each year.

I thank you for your consideration and appreciate your interest in celebrating the successes of our children who graduate from their local school.

Sincerely,

W. Osellame
Principal

This year it was \$ 150

rent for the Arena.*
