

VILLAGE OF MIDWAY
POLICY AND PROCEDURES MANUAL

RISK MANAGEMENT POLICY "DRAINAGE DITCH & CULVERT INSPECTIONS"

POLICY NO. 306

- Policy Statement - It is the policy of council to recognize the necessity of an orderly inspection of drainage ditches and culverts.
- Policy Background - The Villages drainage routes are made up of a number of ditches and culverts.
- Policy Goal - It is the goal of this policy to provide the community with proper drainage areas to move water through the municipality.
- Policy Objective - It is the objective of this policy to provide for the inspection of all drainage ditches and culverts at a minimum of once annually prior to October 31st.
