Council Meeting News

- Council directed staff to contact Shaw requesting faster Internet service availability in Midway due to public demand and to help attract new home-based businesses to the community.
- Council approved the request of the owner of the dwelling on Fifth Ave to wait until the Spring, when the weather and ground warms up, to remove the building from the property.
- Council accepted the proposal from Peak Environmental for a pre-renovation hazardous and regulated materials assessment for the Midway Community Centre in the amount of \$1,623.96 plus tax.

\$30 for un-spayed or neutered. We accept cash, cheque, or debit (no credit cards).

Midway Community Garden - There are a limited number of garden plots and raised beds still available to rent for the 2017 growing season. The cost is \$5 per plot or raised bed. If you are interested in renting a plot please stop by the Village Office or phone 250-449-2222.

Snowmobile Drag Races - The Kettle Valley Racing Association will hold the 8th Annual Snowmobile Drag Races on Saturday, January 28, 2017 at the Midway Airport. Council approved their request for the Village to donate the use the airport land and for the use of the Village generator for the races again this year. For more information on the drag races or to volunteer please see attached poster or contact Darrin at 250-449-1700.

Feeding Deer and Wildlife - Residents are reminded to not feed deer and other wildlife within the Village of Midway. The Conservation Officer encourages everyone to remember that deer have an ample food supply in the wild, and supplementing this natural food supply not only attracts and holds deer in the community but can trigger an unsustainable population increase.

Emergency Services - The Village will send a letter to Dennis Kurylowich at the Ministry of Transportation inquiring about getting an emergency services stop light at the intersection of Florence Ave and Hwy 3 that can be activated by emergency personnel as a warning to motorists that an emergency vehicle is about to merge onto the highway.

DriveBC - Three new highway web cams have been placed in Midway at the intersection of Hwy 3 and Florence St and are now available on Drive BC to help travellers with their plans.
