**Calling all photographers** - Professional, amateur, and everyone in between. The Village of Midway is in the process of redesigning our website and we need your photos that represent what Midway means to you and what makes this place so special. Ideally your pictures will have people in them - we want people to be able to envision themselves doing that activity - but we love a good scenic shot as well.

Please contact Jenny at the Village Office for more information or send your images to [midwayreception@shaw.ca](mailto:midwayreception@shaw.ca) for consideration.

**Water Usage and Restrictions** - As the temperatures continue to rise, **residents are reminded that watering restrictions are always in effect per Bylaw No. 413 and that sprinkling (irrigating) lawns and gardens between the hours of 10:00 am and 6:00 pm is prohibited.** The Village of Midway reserves the right to disconnect offenders from the water service for violation of regulations and wasteful use of water. Any service that has been disconnected will be charged a minimum of \$50.00 before service resumes. On your own well? Remember that all Village water comes from the same aquifer and your use also contributes to the lower water levels even if you don't think it does. We appreciate your cooperation.
