When will our street be plowed? - The streets are prioritized based on the Snow Removal & Sanding Policy No. 310. Main roads and school bus routes are given priority after a snowfall, and per Risk Management Policy No. 310 - Snow Removal & Sanding Policy - the Village will provide residential plowing and sanding when there is an accumulation of a minimum of 2 inches of snow on the streets. The Public Works crew works hard to ensure the roads are cleared and sanded as quickly as possible. We appreciate your patience and understanding.
