**When will our street be plowed?** - The streets are prioritized based on the Snow Removal & Sanding Policy No. 310. Emergency routes, school bus routes and main roads are given priority after a snowfall, and per Risk Management Policy No. 310 - Snow Removal & Sanding Policy - the Village will provide residential plowing and sanding when there is an accumulation of a minimum of 2 inches of snow on the streets. The Public Works crew works hard to ensure the roads are cleared and sanded as quickly as possible. We appreciate your patience and understanding.

**Dog Tags** - 2018 dog tags are now available at the Village Office. \$15 for spayed or neutered, or \$30 for un-spayed or un-neutered. Cash, cheque or debit.

*Dog owners are reminded to ensure dogs do not bark constantly during the day and night as it is a disturbance to the public and neighbours. Residents with any dog-related concerns or issues are asked to contact the Village Office at 250-449-2222.*

**Feeding Deer and Wildlife** - Residents are reminded to not feed deer and other wildlife within the Village of Midway. The Conservation Officer encourages everyone to remember that deer have an ample food supply in the wild, and supplementing this natural food supply not only attracts and holds deer in the community but can trigger an unsustainable population increase, and can also attract other predators into the community

This includes campfire, and open burn piles not exceeding one metre in height and one metre in width. No person shall ignite or cause to be ignited any household waste, refuse, rubbish, garbage, plastic, or styrofoam, industrial or commercial waste.

***\*\*\*Please note that there are new Open Burn restrictions: there will be no open burning allowed during the peak hours of 11:00 am and 6:00 pm. This new restrictions applies to all new and previously issued burn permits.\*\*\****

Any person who contravenes or violates any provision of this Bylaw could be liable to a minimum fine of \$500.00 and should the Midway Volunteer Fire Department/Emergency Responder be required, the Permittee shall be liable for the total cost of the fire call per Bylaw #451, Part 10, Sec. 51 (2) (3).
