**2019 Business Licences** - The \$50 annual fee is due in January for businesses operating in the Village of Midway. Fees can be paid at the Village Office by cash, debit or cheque.

**When will our street be plowed?** - The streets are prioritized based on the Snow Removal & Sanding Policy No. 310. Emergency routes, school bus routes and main roads are given priority after a snowfall, and per Risk Management Policy No. 310 - Snow Removal & Sanding Policy - the Village will provide residential plowing and sanding when there is an accumulation of a minimum of 2 inches of snow on the streets. The Public Works crew works hard to ensure the roads are cleared and sanded as quickly as possible. We appreciate your patience and understanding.

To view a copy of the Snow Removal & Sanding Policy please visit our website at [www.midwaybc.ca](http://www.midwaybc.ca) for further information.

**Boundary Creek Crossing** - Drilling of the water and sewer lines under Boundary Creek is currently taking place on Dominion St. Heavy equipment is being used in the area and may be on portions of the roadways. Please use caution while driving in this area.

**Silvercity Stagelines** - Since the departure of Greyhound in the area, one company has started providing transit service from Nelson to Kelowna and back. More information can be found on their website: [fritztravels.com](http://fritztravels.com)
