When will our street be plowed? - The streets are prioritized based on the Snow Removal & Sanding Policy No. 310. Emergency routes, school bus routes and main roads are given priority after a snowfall, and per Risk Management Policy No. 310 - Snow Removal & Sanding Policy - the Village will provide residential plowing and sanding when there is an accumulation of a minimum of 2 inches of snow on the streets. The Public Works crew works hard to ensure the roads are cleared and sanded as quickly as possible. We appreciate your patience and understanding.

To view a copy of the Snow Removal & Sanding Policy please visit our website at www.midwaybc.ca for further information.
