#### THANK YOU AND CONGRATULATIONS

Midway Fire and Rescue would like to extend its sincerest 'Thank You' to Deputy Chief Keith Martin for his outstanding work as a firefighter and Chief Officer for Midway Fire and Rescue for the past **32 years**!! Keith's hard work, dedication and extraordinary efforts have been invaluable in so many respects. Whether it was fighting structure fires, or dealing with raging wild land events or working to assist with flood mitigation, or helping with members of the community who needed a hand, or being 'Firefighter Keith' to all the young children during Get Out Alive training at the Elementary schools, Keith was always at the ready! Above all, Keith's work and contributions were always done extremely well and without any type of remuneration or compensation of any kind.

We are all proud and honoured to have served with you Keith. Thank you for your service to the residents of Midway, Kettle Valley and Rock Creek and West Boundary area.

Thank you for your service to the Members of Midway Fire/Rescue.

Congratulations on your retirement after a job exceptionally well done!!

Sincerely and respectfully, Fire Chief Walt Osellame on behalf of the members of Midway Fire/Rescue

#### A Fundraiser for a young Dancer; Fun for the Participants

Sophia Malina, a ten-year-old dancer with our local **WEST BOUNDARY SCHOOL OF DANCE,** has been selected by the world-famous <u>Royal Winnipeg Ballet Company</u> to attend their month-long Summer Workshop Session. A prestigious award but one that comes with a cost. Sophia's audition went so well that she was awarded one of the rare bursaries given out which will pay the cost of her lessons, \$1,963, but there still remains her residence fees, some \$2,600, along with her flight costs and other incidentals.

While Sophia's parents are doing their best to come up with these funds, we in the MIDWAY COMMUNITY ASSOCIATION wished to do what we can to help our gifted young girl attend the Summer Session. We are seeking help from other local societies but we are beginning our search for funds by offering two Valentine activities on **Saturday, February 8**<sup>th</sup> to interested community members.

First up is a <u>Valentine Day's Cookie Decorating Workshop</u>. One of our members just happens to be a former professional baker and is an expert on creating beautiful cookies. In only a few hours of time and for a mere \$10, one can create a dozen of these culinary delights which will please your loved ones and help get Sophia a little closer to her dream school.

For our second Fundraising Activity on the same evening, the Community Association has been fortunate in obtaining the help of <u>DiVinyl Signs of Grand Forks</u>. With owner, Bethany's assistance, one of three signs based on the theme of Love can be created in an evening. A fourth option, where one creates smaller Valentine gift boxes is also available.

Because some preparatory work and ordering must be done prior to the evening, if you are interested in participating in our Community Association Fundraiser, please phone one of the following numbers, **no later than FEBRUARY 1**<sup>st</sup> to Pre-Register or obtain more information.
