Village of Midway – Boundary Expo Recreation Centre (BERC) Public Skating & Stick and Puck Procedures

Updated: November 18, 2020

Introduction

In order to run the safest program possible, we have implemented the following guidelines. All regulations and guidelines are in alignment with WorkSafeBC, VIA Sport and the BC Provincial Government. Failure to adhere to the regulations and guidelines will result in removal of said person(s). It is important that all individuals understand by choosing to participate in physical activities outside the home during the pandemic, you are at an increased risk of contracting COVID-19. This is an inherent risk of participating in non-essential activities in your community.

Health

Anyone experiencing symptoms of illness will not be permitted to enter the facility. Please stay at home if you are feeling ill, have travelled outside of Canada or have been in contact with someone diagnosed with COVID-19 within the last 14 days, or have been directed to self-isolate. We ask that you practice safe hand hygiene, use hand sanitizer and wash your hands frequently. Hand sanitizer is available throughout the building. Facemasks are not mandatory; however, they are strongly recommended. If you cannot maintain a 2m physical distance, wear a mask.
