### **Scam phone calls, emails or text messages -**

We have seen a spike in the amount of fraudulent calls, emails and texts lately. Unfortunately, they have been getting better at not being so obvious: phone numbers are local ones, emails aren't a random string of letters and numbers. Please follow this link if you more information about looking out for potential scams: <https://www.canada.ca/en/revenue-agency/campaigns/fraud-scams.html> Also remember that ICBC will never send you a text message with a link to claim any kind of refund.

### **Release of Meeting Minutes** - At the All

Candidates Meeting in the fall, the topic of releasing the minutes from a meeting the next day was brought up. Council will approve and adopt the minutes at the next regular meeting before they are made public. The best way to be informed as soon as possible is to attend the meetings. All meetings, except in-camera portions, are open to the public.
