This Addendum shall form part of the Contract Documents and is to be read, interpreted and coordinated with all other parts. The following revisions supersede the information contained in the original specifications and drawings issued for the above-named project.

This Addendum forms part of the Bid Documents and modifies as stated herein:

0.0 General:

Question: Finish schedule does not specify any base, please provide.

Answer: See attached updated finish schedule for base.

Question: We have been informed by flooring contractors that the specified resilient floor material for F3 should not be used on this project and have requested resilient sheet goods be approved as an alternate.

Answer: Resilient sheet goods have been approved as an acceptable alternate.

1.0 Specifications:

- » Use the attached 14202 Elevator Specification Section and disregard the previous elevator specification. The drawings match the attached specification section.

2.0 Drawings:

- » Sheet A900 & A901 updated. See attached
