## **ICBC & Motor Vehicles**

The Village of Midway Office offers all of your ICBC Autoplan and Drivers Services needs.

## **Midway Community Centre Upgrade Project**

**Update** - Despite the project going out to tender at a smaller scope, construction costs for the Community Centre upgrade came in too high and Council has decided to pause the project until the new year. The project will be going out to bid again in the new year, with high hopes that construction will commence in Spring 2024. Council and staff of the Village appreciates the resident's and community group's patience whilst we navigate through the bidding process.

**Bylaw Officer's Report** - The Village of Midway recognizes the importance of providing up-to-date information about new and existing Village bylaws that may affect Midway residents. To keep citizens informed, the Village Bylaw Enforcement Officer will provide periodic bylaw updates in the Newsletter. These updates will highlight bylaws of note and provide information on Village specific bylaw initiatives. We hope you find some value in this information. Please contact the Bylaw Enforcement Officer at the Village staff if you have any questions or concerns.

The Village of Midway does not have the resources to inspect properties and to enforce bylaws on a regular basis in order to determine whether or not bylaws are being complied with at all times. Therefore, it is the general policy of the Village to rely on citizen complaints. The Village does not accept anonymous complaints.

The Bylaw Enforcement Officer may respond to complaints on the following issues and bylaws, among others: Animal control, Business licences, Noise disturbances, Unsightly premises & Zoning regulations

To register a complaint with the Village, you may call 250-449-2222 or drop into the Village Office during office hours and complete a complaint form.
