Budget Planning 2025 - Each year, the Village develops an annual budget to meet community needs and balance the delivery of services with property taxes and user fees. The Village is committed to financial transparency and strong fiscal management which form a foundation of the budget process. The budget is developed to manage current demands but also incorporates the longer-term strategy and vision for the Village through its Financial Plan. The Council of the Village of Midway will be considering the proposed 2025-2029 Financial Plan over the next couple of months. Special budget meeting dates will be provided in the Village newsletter. If you would like an item to be considered by Council during Budget deliberations, please send your request to midwayreception@shaw.ca, or drop off your request to the Village office.

West Boundary Senior Housing Society new building proposal -

The Village of Midway is working with the Society on their plans for a new Senior Housing building. At the October 1, 2024 Regular meeting, Council approved to lease a portion of land west of the current Parkview building for a 60 year-term, to support the application for West Boundary Senior Housing Society to build additional housing units for Seniors. The lease is contingent on the Society receiving funding through the BC Housing Community Housing Fund. Residents may have seen survey pins in James G. McMynn Park. A survey was completed recently to assist with the planning stages for the new building proposal. Further updates will be provided in future newsletters. If you have any queries, please contact Lisa Teggarty, Chief Administrative Officer, Tel: 250-449-2222 email: midwaybc@shaw.ca
