The purpose of the Committee is to assist the Village in identifying barriers to individuals interacting within the Village, while also advising the Village how to remove and prevent those barriers. Persons with disabilities and persons representing a disability-serving organization are encouraged to apply. The Committee meets two to three times a year and works on developing priorities for Council consideration. Members are not eligible for compensation for their services.

Interested applicants can apply by contacting the Village Office for a copy of the Village of Midway Accessibility Advisory Committee Application Form.

## Slippery roads, parking lots, and sidewalks -

Please be cautious when walking in the Village as roads, sidewalks, and parking lots may be icy, especially after a fresh snowfall. Take precautions and wear appropriate foot wear when out enjoying the fresh air.

**Fire Permits** - Residents are reminded that fire permits are valid only for the calendar year. Permits will need to be renewed in January for 2026.

**2026 Business Licences** - The \$50 annual fee is due in January for businesses operating in the Village of Midway. Fees can be paid at the Village Office in the new year.

**Dog Tags** - 2026 dog tags are now available at the Village Office if you would like to pay using cash or post dated cheque. \$15 for spayed or neutered, or \$30 for un-spayed or un-neutered. Debit can be accepted in 2026.

## Community Centre Project Update – December

**2025** – Here's a brief update on the Midway Community Centre project. Progress is steady both inside and outside the building. Although we initially expected construction to finish at the end of December 2025, we are now tentatively targeting January 31, 2026 as the completion date. This pushes the opening back by about a month, but the centre should still welcome the public in early 2026 as planned. Look out for future updates in the newsletter.

We again thank our residents and members of the Midway Community Association for their patience throughout the construction period.

If you have any queries regarding the project please contact Lisa Teggarty, CAO, Tel: 250-449-2222 email: [midwaybc@shaw.ca](mailto:midwaybc@shaw.ca)
