Administrator's Report – Verbal

- First UBCM virtual meeting with ministry staff is scheduled for tomorrow at 11:50am with Ministry of Housing and Municipal Affairs staff.
- Accessibility Meeting was held earlier today, went well with good discussion.
- Community Hall deficiencies progress update was provided. Still no firm date to reacquire ownership.
- Forestry meeting scheduled at UBCM with the Minister. Dan Macmaster will attend with Mayor McMynn and Councillor Metcalf.

Mayor and Council Reports

Councillor Metcalf – Verbal

- WBCF Meeting summary.

Councillor Pownall – Verbal

- Question – Possible review of allowable fence height.
- Next year the Kettle Valley Golf Course is celebrating their 100 year anniversary.

Councillor Wilsey – Verbal

- Boundary Creek level is low, the wastewater pipes to be decommissioned are well exposed, what is the status on getting the pipes removed? CAO has been trying to get help from the Province, the permitting window is short due to it being near to fish habitat.

Councillor Dunsdon – Verbal

- Community Futures will be collecting information for vital signs. The last one was in 2019. The demographic information they gather is vital for grants. We should strongly consider and expect a request letter for approx. \$1000.
- Due to the fire at Jack Goddard Arena in Grand Forks, the Border Bruins incurred travel expenses to host their training camp. They are looking for relief compensation from the RDKB on their ice time fees.
- There appears to be interest in an expansion in the Community Forest. Councillor Metcalf said that this topic is on Dan Macmaster's radar and it will be brought up at the UBCM Forestry Minister meeting.

Mayor McMynn – Verbal

- Fortis price increase can be discussed at UBCM.

Question Period

Martin Fromme asked if changing the height of fences would need a clause regarding visibility on corners? *There is currently a separate section on visibility on corner lots in the zoning bylaw.*

Which pipe was Councillor Willsey referring to? *Boundary Creek.*

What are the details of the meeting regarding housing? *It is a UBCM staff meeting, there is a virtual and in person format this year. It is not open to the public.*

What is happening with the Parkview Manor expansion progress? *The process to remove land out of the ALR for the proposed new Senior Housing building is ongoing. There was further discussion about the Province of BC putting the Community Housing Fund intake on hold.*

Re: Request for Municipal Permission – Midway Social Centre Storage Shed Project

Dear CAO and Council,

On behalf of the Midway Social Centre Society, I am writing to request the Village's permission to place a **Cedarshed RK1614 (16' x 14') outdoor storage shed** on Village property adjacent to the Social Centre. This shed is a **high-quality, Canadian-made prefab unit manufactured in Spallumcheen, BC**, With local contractors doing the build.

As you know, our seniors programs continue to grow, and secure, weather-protected storage is essential for maintaining equipment, supplies, and materials used throughout the year. With limited interior space, the lack of accessible storage currently restricts seniors' ability to run, expand, and safely manage programs.

Last year, when we explored a similar project, we shared our preliminary plans and grant application details with the Village for review. We appreciated your support at that time as we prepared to pursue new funding opportunities.

We wish to emphasize that this shed will be used **exclusively for seniors' programs** and is being pursued for community benefit, not as municipal infrastructure. The Society—and previously the Midway Senior Centre—has had long-term, stable access to this property for more than three decades. This project is intended to support the continued success and sustainability of seniors' programming in our community.

We value our ongoing partnership with the Village and remain committed to ensuring that any improvements align with municipal requirements and continue to benefit local seniors.

NOTE: Please see the pictures supplied on Page 2.

Thank you for considering this request.

Sincerely,

Joanne Welch

Midway Social Centre Society

CAO Report to Council

Date: Oct 5, 2026

File No: 0640-40

Important dates:

- **Municipal Election 2026 - Advance Voting – October 7, 2026**
 - **General Voting Day – October 17, 2026**
 - **Inaugural Council meeting – November 2, 2026**
 - **Next Accessibility meeting – November 16, 2026 at 2:00PM**
 - **Regular November Council Meeting – November 16, 2026 at 7:00PM**
- 1) 2026 Municipal Tax Sale was not required. A tax sale is a public auction of properties within a municipality which have unpaid property taxes from two years prior to the current year.
 - 2) We are ready and prepared for the 2026 General Election. The Advance Voting will be held on October 7, 2026 and the General Voting day is October 17, 2026.
 - 3) I attended a virtual meeting with Ministry of Housing, Municipal Affairs and BC Housing staff, Mayor McMynn and Councillor Willsey. Our discussion focused around the BC Builds program. Funds have been allotted for 2026. They indicated that a small amount of funds will be released in 2027, and grant funding will open again in 2028. This depends on the new Provincial government priorities.
 - 4) Community Hall – the majority of inside deficiency work has been completed. We are waiting on a seal for the exit door to the ramp and two replacement doors in the basement. The Public Health inspector has granted preliminary health approval. We have a couple of procedural items to be completed prior to opening, as per his request. There are two exterior deficiencies currently being addressed by the contractor. We are waiting on the paving contractor to proceed with paving the parking lot and accessibility ramp.
 - 5) Working on 2027 Council meeting schedule and Council Orientation items.
 - 6) The Boundary Expo Recreation Centre is open, and being enjoyed by residents and groups.
 - 7) Met with the Village's Planner to review ongoing projects. A consolidated version of the Village's Zoning Bylaws has been drafted. It will replace the versions on the Village's websites and provide users with clearer information. A Zoning Bylaw covering other amendments, modernized wording, and other regulations has been drafted. The next step is to incorporate the mapping changes discussed with Council last winter.
 - 8) Capacity Funding for Local Government Housing Initiatives – The Province has broadened the eligibility criteria for funding provided to municipalities in 2024. The expanded scope will allow the Village to use these funds to update bylaws and planning documents, that were not previously listed e.g. Subdivision Bylaw.

Dear Mayors and Councillors,

We Need Road Safety Funding Back

At UBCM, help bring back provincial cost-share funding you need to build safer streets in your community by supporting resolution EB28 “Restoring Funding for Road Safety” and speaking to MLAs about the [BC Active Transportation Infrastructure Grants Program \(BCATIG\)](#).

BC communities need provincial support to build the safer streets, sidewalks, crossings, bike routes, and other active transportation connections that residents are asking for. For more than 30 years, BC’s provincial active transportation grant programs have helped municipalities and Indigenous communities across the province deliver these projects.

See which healthy transportation projects have been built in your community [here](#) thanks to this funding.

For municipalities, provincial cost-sharing funding can make the difference between a project moving forward or sitting on a shelf.

Today, we need BCATIG back.

Communities like yours have walking and cycling infrastructure projects ready to build. What we need is a permanent and predictable provincial funding program for active transportation infrastructure that can help make them happen.

We recommend that the Province restore the BC Active Transportation Infrastructure Grants Program and increase annual funding to \$18 per resident (\$100 million) in order to meet demand as well as safety, affordability, health, and sustainability targets.

This is a smart transportation investment because it delivers returns across the issues municipalities are already working to address:

- **Safer streets:** Unsafe streets tragically cost the lives of over 300 British Columbians annually. Crashes also cost the Province an estimated [\\$500 million+](#) each year. Investing in walking and cycling infrastructure not only saves lives, but directly saves governments money in healthcare and emergency services.
- **Affordable transportation options:** Safe options to walk, cycle, and roll, give people more choices for trips, reducing household transportation costs and keeping more disposable income in local communities.

- **Healthier communities:** Streets that make it easy and comfortable to walk and cycle support physical activity as part of everyday life, reducing chronic disease rates and improving well-being.
- **Stronger, more resilient communities:** Better transportation options help communities respond to changing costs, climate impacts, and the needs of people of all ages.

Support the call at UBCM

At UBCM, **Resolution EB28: Restoring Funding for Road Safety**, calls on the Province to immediately reinstate BCATIG and provide stable, long-term funding for safer streets. **We encourage you to support resolution EB28 and speak with your MLA about why BCATIG matters to your community.**

When people have more transportation options, our communities become healthier, safer and more resilient. We have made significant progress over the past three decades. Now is the time to build on that progress.

Thank you for helping make safer, more affordable transportation a priority for communities across BC. Please visit [BC Loves Walking and Cycling](#) to learn more about the positive impacts of the BCATIG program.

Sincerely,

Laura Jane, Executive Director, BEST Mobility

UBCM 2026 Resolution: [EB28 Restoring Funding for Road Safety](#)

Whereas the number of road crashes in British Columbia have steadily increased over the last five years, with an average of 380 children seriously injured and 22 killed in crashes every year in BC, and vulnerable road users (people walking, cycling, rolling, and using personal mobility devices) face increased risk of serious injury or death on BC streets;

And whereas the BC Active Transportation Infrastructure Grants Program, which has provided critical funding to local governments and First Nation communities and delivered tangible road safety results through investments in walking and active transportation infrastructure, has been paused for the foreseeable future:

Therefore be it resolved that UBCM request that the Province of British Columbia immediately reinstate the BC Active Transportation Infrastructure Grant Program and improve it to provide stable, long-term funding to support local governments in delivering safer streets and reduced climate impacts across the province.

Dear Mayor McMynn and Council:

As Minister of Children and Family Development, I am delighted to once again proclaim October as Foster Family Month in British Columbia. This year marks the 36th anniversary of Foster Family Month, providing an important opportunity to recognize and celebrate the remarkable contributions of family and foster caregivers across our province. I am honoured to express my sincere gratitude for their unwavering dedication and commitment to supporting children and youth in care.

Caregivers of all kinds demonstrate extraordinary compassion and generosity by opening their hearts, homes, and lives to children and youth who need support. By providing a safe and nurturing environment for these young people, they help them cope with what can be very difficult times, and also help them begin to heal and work through the challenges they have experienced.

Over the years, I have had the privilege of meeting many exceptional caregivers whose kindness, compassion and dedication to the children and youth they care for has left a lasting impression on me. Their willingness to provide love, stability, and hope during challenging times makes a meaningful difference in the lives of children, youth, and families throughout British Columbia.

Please join me in celebrating these caregivers for the crucial role they play in all our communities, and for the selfless work they do for the children, youth, and families of British Columbia.

Sincerely,

Jodie Wickens

Minister of Children and Family Development

Dear Delegation:

Thank you for meeting with the Ministry of Forests at the 2026 Union of BC Municipalities (UBCM) Convention held September 14-18 in Vancouver. We thoroughly enjoyed the collaborative spirit and opportunity to engage with you for meaningful discussion.

Due to the provincial election, we are presently unable to provide a detailed follow-up summary confirming how we will move forward together to address the issues talked about at UBCM. However, once the election period is complete, we will ensure the matters you raised at UBCM are shared with the Minister for further exploration.

Again, thank you to for joining the Ministry of Forests at the UBCM Convention to explore ideas and exchange perspectives on priority issues for the *Common Good*.

Sincerely,

Makenzie Leine, MBA, R.P.F.
Deputy Minister

Dear Mayor and Council:

Re: British Columbia Youth Parliament, 98th Parliament

The British Columbia Youth Parliament will hold its 98th Parliamentary Session in Victoria at the Provincial Legislative Chambers from December 27 to 31, 2026.

The Youth Parliament is a province-wide non-partisan organization for young people ages 16 to 21. It teaches citizenship skills through participation in the parliamentary session in December and continuing involvement in community service activities throughout the year. **Youth Parliament is a one-year commitment.**

I invite you to encourage eligible youth from your municipality or region to apply to sit as members of the Youth Parliament. BCYP is non-partisan, and applicants need only be interested in learning more about the parliamentary process and in serving their community. If your municipality sponsors a “youth of the year” award or has a municipal youth council, young people with that sort of initiative and involvement are ideal candidates for BCYP.

Each applicant who is accepted to attend as a member of BCYP must pay a **\$600** registration fee. Thanks to private donations and fundraising, a portion of the cost is subsidized and includes transportation and accommodation for all members. We encourage municipalities or youth councils to contribute towards the application fee for applicants who are in financial need.

If the approval of financial support causes any delay, we encourage the applicant to send in their forms on time along with a note saying that the cheque will arrive after the deadline. In this case, if we receive the completed form and personal statement before the deadline, it will be considered received on time. If you are not able to aid, a limited number of bursaries are available for applicants who cannot meet the expense of the registration fee. Requesting financial assistance will not affect an applicant’s chance of being selected as a member. (See <https://bcyp.org/session>)

Members will sit and debate in the Legislative Chambers for five days and will be accommodated for four nights at the Marriott Hotel in Victoria. During that time, participants are supervised by members of the Board of Directors of the Youth Parliament of B.C. Alumni Society and other youth parliament alumni. In addition, transportation to and from Victoria will be provided for all members who require it.

This year, the application is an online application and can be found on our website at <https://bcyp.org/applying/>. I have included a brochure about BC Youth Parliament with this letter. Our promotional poster is also available online on our website, which I encourage you to display, and to make the application form and brochure available to interested students. If you require more forms, please feel free to make copies, and if you require more brochures or posters, please contact me.

All application forms must be received by October 30, 2026. Selected applicants will be notified in mid-November. If you require more information, please contact me by e-mail as indicated above. You may also visit our website at www.bcyp.org.

Yours truly,

Ambrose Yung
Registrar, Youth Parliament of BC Alumni Society
